**REPORT ON REVIEW OF
INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

**To: The Shareholders of Al Rajhi Banking And
Investment Corporation
(A Saudi Joint Stock Company)**

Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Al Rajhi Banking and Investment Corporation (“the Bank”) and its subsidiaries (collectively referred to as “the Group”) as of 31 March 2015, and the related interim consolidated statements of income, comprehensive income, changes in shareholders’ equity and cash flows for the three-month period then ended and the notes from (1) to (16) which form an integral part of the interim condensed consolidated financial statements. We have not reviewed note 17, nor the information related to “Basel III Pillar 3 Disclosure” cross-referenced therein, which is not required to be within the scope of our review. The Bank’s management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency (“SAMA”) and with International Accounting Standard No. 34 “Interim Financial Reporting”. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with generally accepted standards in the Kingdom of Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

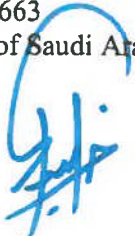

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with applicable Accounting Standards for Financial Institutions issued by SAMA and with International Accounting Standard No. 34.

Other regulatory matters

As required by SAMA, certain capital adequacy information has been disclosed in note (14) to the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note (14) to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

(A SAUDI JOINT STOCK COMPANY)

**NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
STATEMENTS (UNAUDITED)
FOR THE THREE - MONTH PERIOD ENDED 31 MARCH 2015**

1. GENERAL

Al Rajhi Banking and Investment Corporation, a Saudi Joint Stock Company, (the “Bank”) was formed and licensed pursuant to Royal Decree No. M/59 dated 3 Dhul Qada 1407H (corresponding to 29 June 1987) and in accordance with Article 6 of the Council of Ministers’ Resolution No. 245, dated 26 Shawwal 1407H (corresponding to 23 June 1987).

The Bank operates under Commercial Registration No. 1010000096 and its Head Office is located at the following address:

**Al Rajhi Bank
Olaya Street
P.O. Box 28
Riyadh 11411
Kingdom of Saudi Arabia**

The objectives of the Bank are to carry out banking and investment activities in accordance with its Articles of Association and By-laws, the Banking Control Law and the Council of Ministers Resolution referred to above. The Bank is engaged in banking and investment activities for its own account and on behalf of others inside and outside the Kingdom of Saudi Arabia. The Bank has established certain subsidiary companies (together with the Bank hereinafter referred to as the “Group”) in which it owns all or the majority of their equity shares (see note 2).

Shari’a Authority

As a commitment from the Bank for its activities to be in compliance with Islamic Shari’a legislations, since its inception, the Bank has established a Shari’a Authority to ascertain that the Bank’s activities are subject to its approval and control. The Shari’a Authority had reviewed several of the Bank’s activities and issued the required decisions thereon.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

These interim condensed consolidated financial statements are prepared in accordance with the accounting standards for financial institutions promulgated by the (“SAMA”) and International Accounting Standard No. 34 “Interim Financial Reporting”. The Bank prepares its interim condensed consolidated financial statements to comply with the Banking Control Law and the Regulations for Companies in the Kingdom of Saudi Arabia.

The interim condensed consolidated financial statements do not include all of the information required for full annual consolidated financial statements and should be read in conjunction with the annual financial statements as of and for the year ended 31 December 2014.

**NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL
STATEMENTS (UNAUDITED)
FOR THE THREE - MONTH PERIOD ENDED 31 MARCH 2015**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of preparation (continued)

The preparation of interim condensed consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and income and expenses. Actual results may differ from these estimates.

In preparing these interim condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation of uncertainty were the same as those that applied to the consolidated financial statements as of and for the year ended 31 December 2014.

The interim condensed consolidated financial statements were approved by Board of Directors on 24/6/1436 H (corresponding to 13/4/2015).

The interim condensed consolidated financial statements are expressed in Saudi Riyals (SR) and are rounded off to the nearest thousand.

Basis of consolidation

The financial statements of the subsidiaries are prepared for the same reporting period as that of the Bank, using consistent accounting policies. Adjustments have been made to the interim condensed consolidated financial statements of the subsidiaries, where necessary, to align with the Bank's interim condensed consolidated financial statements.

Subsidiaries are the entities that are controlled by the Group. The Group controls an entity when, it is exposed, or has a right, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over that entity.

When the Group has less than a majority of the voting or similar rights of an investee entity, it considers relevant facts and circumstances in assessing whether it has power over the entity, including:

- The contractual arrangement with the other voters of the investee entity
- Rights arising from other contractual arrangements
- The Group's current and potential voting rights granted by equity instruments such as shares

The Group re-assesses whether or not it controls an investee entity if facts and circumstances indicate that there are changes to one or more elements of control.

Subsidiaries are consolidated from the date on which the control is transferred to the Group and are ceased to be consolidated from the date on which the control is transferred from the Group. The results of subsidiaries acquired or disposed of during the period are included in the interim statements of comprehensive income from the date of the acquisition or up to the date of disposal, as appropriate.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)
FOR THE THREE - MONTH PERIOD ENDED 31 MARCH 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of consolidation (continued)

Intra-group balances and any unrealized income and expenses arising from intra-group transactions, are eliminated in preparing the interim condensed consolidated financial statements. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

The interim condensed consolidated financial statements comprise the financial statements of the Bank and its subsidiaries (collectively referred to as “the Group”). As at 31 March the following subsidiaries were included in the interim condensed consolidated financial statements:

Name of subsidiaries	Shareholding		Description of activities
	2015	2014	
Al Rajhi Company for Development Limited – Saudi Arabia	100	100	A limited liability company registered in Kingdom of Saudi Arabia to support the mortgage programs of the Bank through transferring and holding the title deeds of real estate properties under its name on behalf of the Bank, collection of revenue of certain properties sold by the Bank , provide real estate and engineering consulting services, provide documentation service to register the real estate properties, and overseeing the evaluation of real estate properties.
Al Rajhi Corporation Limited – Malaysia	100	100	A licensed Islamic Bank under the Islamic Financial Services Act 2013, incorporated and domiciled in Malaysia.
Al Rajhi Capital Company – Saudi Arabia	100	100	A limited liability company registered in Kingdom of Saudi Arabia to act as principal agent and/or to provide brokerage, underwriting, managing, advisory, arranging and custodial services.
Al Rajhi Bank – Kuwait	100	100	Registered with central Bank of Kuwait
Al Rajhi Bank – Jordan	100	100	A foreign company operating in Hashimi Kingdom of Jordan, providing all financial, banking, and investments services and importing and trading in precious metals and stones in accordance with Islamic sharia’a rules and under the applicable banking law.
Al Rajhi Takaful Agency Company – Saudi Arabia	99	99	A limited liability company registered in Kingdom of Saudi Arabia to act as an agent for insurance brokerage activities per the agency agreement with Al Rajhi Cooperative insurance company.
Al Rajhi Company for management services – Saudi Arabia	100	100	

Since the subsidiaries are fully owned by the Bank, there is no non-controlling interest to be disclosed.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) (CONTINUED)
FOR THE THREE - MONTH PERIOD ENDED 31 MARCH 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounting policies

The accounting policies used in the preparation of these interim condensed consolidated financial statements are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2014, except for the adoption of the following amendments to existing standards, which have had no significant effect financial impact on the interim condensed (consolidated) financial statements of the Group on the current period or prior period and is expected to have no significant effect in future periods:

- Amendments to IAS 19 applicable for annual periods beginning on or after 1 July 2014 is applicable to defined benefit plans involving contribution from employees and / or third parties. This provides relief, based on meeting certain criteria's, from the requirements proposed in the amendments of 2011 for attributing employee / third party contributions to periods of service under the plan benefit formula or on a straight line basis. The current amendment gives an option, if conditions satisfy, to reduce service cost in period in which the related service is rendered.
- Annual improvements to IFRS 2010-2012 and 2011-2013 cycle applicable for annual periods beginning on or after 1 July 2014. A summary of the amendments is contained as under:
 - o IFRS 1 – “first time adoption of IFRS”: the amendment clarifies that a first time adopter is permitted but not required to apply a new or revised IFRS that is not yet mandatory but is available for early adoption.
 - o IFRS 2 amended to clarify the definition of ‘vesting condition’ by separately defining ‘performance condition’ and ‘service condition’.
 - o IFRS 3 – “business combinations” amended to clarify the classification and measurement of contingent consideration in a business combination. It has been further amended to clarify that the standard does not apply to the accounting for the formation of all types of joint arrangements in IFRS 11.
 - o IFRS 8 – “operating segments” has been amended to explicitly require disclosure of judgments made by management in applying aggregation criteria.
 - o IFRS 13 has been amended to clarify measurement of interest free short term receivables and payables at their invoiced amount without discounting, if the effect of discounting is immaterial. It has been further amended to clarify that the portfolio exception potentially applies to contracts in the scope of IAS 39 and IFRS 9 regardless of whether they meet the definition of a financial asset or financial liability under IAS 32.
 - o IAS 16 – “Property plant and equipment” and IAS 38 – “intangible assets”: – the amendments clarify the requirements of revaluation model recognizing that the restatement of accumulated depreciation (amortisation) is not always proportionate to the change in the gross carrying amount of the asset.
 - o IAS 24 – “related party disclosures”– the definition of a related party is extended to include a management entity that provides key management personnel services to the reporting entity, either directly or indirectly.
 - o IAS 40 – “investment property” clarifies that an entity should assess whether an acquired property is an investment property under IAS 40 and perform a separate assessment under IFRS 3 to determine whether the acquisition constitutes a business combination.

10. FAIR VALUES OF FINANCIAL ASSETS AND LIABILITIES

Determination of fair value and fair value hierarchy

The Bank uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: quoted prices in active markets for the same instrument (i.e., without modification or additions).

Level 2: quoted prices in active markets for similar assets and liabilities or other valuation techniques for which all significant inputs are based on observable market data.

Level 3: valuation techniques for which any significant input is not based on observable market data.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either:

- In the accessible principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous accessible market for the asset or liability

The fair values of on-statement of financial position financial instruments are not significantly different from the carrying values included in the consolidated financial statements. The fair values of financing due from and due to banks which are carried at amortized cost, are not significantly different from the carrying values included in the financial statements, since the current market commission rates for similar financial instruments are not significantly different from the contracted rates, and for the short duration of due from and due to banks.

The value obtained from the relevant valuation model may differ with the transaction price of a financial instrument. The difference between the transaction price and the model value commonly referred to as 'day one profit and loss' is either amortized over the life of the transaction, deferred until the instrument's fair value can be determined using market observable data, or realized through disposal. Subsequent changes in fair value are recognized immediately in the income statement without reversal of deferred day one profits and losses.

Assets at fair values are as follows:

14. CAPITAL ADEQUACY

The Bank's objectives when managing capital are to comply with the capital requirements set by SAMA to safeguard the Bank's ability to continue as a going concern and to maintain a strong capital base.

Capital adequacy and the use of regulatory capital are monitored daily by the Bank's management. SAMA requires the banks to hold the minimum level of the regulatory capital and also to maintain a ratio of total regulatory capital to the risk-weighted assets at or above 8%.

The Bank uses the methods established by SAMA for measuring the capital adequacy. These methods measure the capital adequacy by comparing the eligible capital items with the consolidated financial position, commitments and contingent liabilities to reflect their relative risks as shown in the following table:

	31 March 2015 (Unaudited) SR'000	31 December 2014 (Audited) SR'000	31 March 2014 (Unaudited) SR'000
